PROFESSIONAL SUMMARY

Clinical psychologist and postdoctoral visiting scholar with 15+ years of clinical practice and humanitarian mental health and psychosocial support (MHPSS) experience. Specialized in case conceptualization, clinical supervision, and trauma in conflict and genocide contexts.

LICENSURE / CREDENTIALS

Foreign-educated doctorate evaluated by World Education Services (WES) as U.S. doctoral equivalency (course-by-course).

New York State Education Department (NYSED) (Bureau of Comparative Education): On May 22, 2026, NYSED confirmed that my Ph.D. from METU is considered the substantial equivalent, thereby satisfying Requirement 1 for licensure in New York State (NYS Education Law, Article 163). The remaining requirement is in progress.

California Board of Psychology: Not yet initiated supervised professional hours in California; prepared to begin upon employment under appropriate supervision.
